

**Judit Klein and the Haverim** are one of the country's best-known and most respected klezmer bands, where tradition, humor, virtuosity, professionalism and audience experience meet in perfect harmony.

Led by Judit Klein, the singer known as the queen of Jewish songs, and pianist Zoltán Neumark, the Haverim band's cheerful, virtuoso concerts are always a real treat of joyful music for the general public.

In this joint lineup, they are indispensable guests at the most prestigious festivals and events across the country and Europe. Austria, Germany, Romania, Serbia, and even Tunisia have been happy to invite the hugely successful formation back and forth.

The performances feature melodies from authentic Jewish musical roots, evoking the atmosphere of the Central and Eastern European communities of the 1920s and 1930s with their heartfelt music, all spiced up with plenty of humor.

The artists build musical “bridges” between different cultures, styles, and musical continents, and even a song is performed at their concerts that builds a bridge between traditional Jewish music and today's modern, swinging sound. To the great delight of the audience, they even sneak in world hits as a surprise into their performances, where a thrilling, frenetic atmosphere, audience success, and applause are always guaranteed.
